

This Is A Leash

- **It is the best birth control device**, preventing random matings and unwanted puppies.
- **It is the best way to keep your dog uninjured**, restraining your pet from darting into traffic, eliminating pain and veterinary bills.
- **It is the best good neighbor policymaker**, keeping your pet from any sort of trespassing, destructive or otherwise, on your neighbor's lands or on city sidewalks. It will also keep your pet from jumping on children or adults and possible inflicting an injury on them, as well as they discomfort or fright it might cause them.
- **It is the best identification service**, as the license tag attached to the collar will get your pet back to you if the dog should become lost.
- **It is the best wildlife and environmental protection**, keeping your pet from harassing deer and other wild animals, either by itself or as part of a wild dog pack.
- **It is the best way to develop an affectionate pet**, as the touch of it gives your dog definite assurance that it is protected, loved, and wanted.
- **It is also the best crime prevention device**, because when this leash is not in use, then your pet will be at home, overseeing matters and protecting its family.
- **KEEP YOUR DOG LEASHED AND MAKE THIS A HABIT OF CIVIC PRACTICE.**
